Harry has his hands full!

We are extremely pleased to announce that the newest member of STC, Harry, has become a Dad for the first time to beautiful twins.

We are SafeContractor approved.

Recipe Formulation System

STC have supplied a local company with a new recipe formulation system. This new system allows control of the 'give-away' of product and accuracy of mixes saving a great deal of wastage and expense.

A Tight Squeeze

A new weighbridge successfully installed in the smallest of spaces.
